ACCEPTANCE OF CONDITIONS OF PERMIT

I, the above named applicant, certify that the statements contained in this Permit Application are true and accurate, that I understand the requirements of the Town of La Valle Culvert Permit Ordinance (Chapter 7.05), and that I will comply with all the requirements of said ordinance and conditions of approval of this permit. I also understand that any changes in the work described in this application will require the filing for another permit application before such changes are allowed.

I further understand that the owner, successors, or assigns is responsible for maintaining the culvert and ditch in such manner necessary to permit free and unobstructed flow of water. The Town does not assume any responsibility for the removal or clearance of snow and/or ice, or the opening of windrows of such material, upon any portion of the culvert within the road right-of-way. No structures of any kind, including but not limited to concrete, stone, brick, wood or other types of retaining walls, pillars, walls, planters, etc., shall be constructed on any town road right-of-way unless approved in writing by the Town of La Valle Road Committee.

Stakes have or will be placed on property, delineating centerline of proposed driveway at no more than 25 foot intervals.
